The POINT is reaching out to women who are interested in building their individual wealth through education, training and investments in their families' future. We believe that a Community's health and growth are directly related to the health and well being of *it's* families. Read below to find out how you can get involved!

Program Description

The POINT is looking for women interested in participating in:

- Financial Education Workshops
- One on one sessions with a personal, financial coach
- Savings match *(To be determined)*

Contact the POINT at 813.628.9179 for more information and to enroll. Space is limited.
